WORK EXPERIENCE

Managing Partner | Arsan Consultancy

Jan 2012 - Present: Arsan Consultancy focuses on management consultancy, executive coaching, change management and advanced web technologies for business development. My current client base is mostly on mobility sector (electrification, sustainable transport, EV charging infrastructure and mobile living - ie: Caravan industry)

EV (Electric Vehicle) Coach Turkey - Jaguar Land Rover Europe

June 2018 - April 2019: Jaguar Land Rover group is a premium car manufacturer recently focusing on Electric Vehicle development. I provided coaching / consulting activities in Turkey about electrification of the Turkish market (importer and the dealership network) as part of a European Team.

ENECC (Electric and New Energies Competitions Commission) Turkey Delegate - FIA (Federation Internationale de l'Automobile)

January 2015 - 2019: FIA is the worldwide governing body of automotive and motor racing activities. ENECC is a sub committee working on alternative energies application to motorsport.

Chairman of The Board | KPD (Coaching Platform Association)

Feb 2015 - March 2017: KPD is a local NGO focused on establishing and raising the standards of the coaching business in Turkey.

General Manager | Pancar Motor, Turkey

May 2009 - Jan 2012

General Manager in Turkey's oldest industrial engine manufacturing plant.

General Manager | Arkas Automotive, Turkey

May 2008 - January 2009

General Manager in a multi-brand automotive dealership network

Vice President | Arkas Automotive, Turkey

February 2006 - May 2008

Special Projects Manager (Sales & Marketing) | Ford Otosan, Turkey

June 2004 – December 2005

Marketing Manager (Commercial Vehicles) | Ford Europe, UK

January 2002 – June 2004

Assistant to General Manager | Ford Turkey

March 2000 – January 2002

Brand Manager (Passenger Cars) | Ford Turkey

September 1997 – March 2000

Zone Manager (Technical, Marmara) | Ford Turkey

December 1996 – September 1997

Service Engineer | Ford Turkey

May 1996 – December 1996

Service Manager (Opel Dealership in Ankara) | Şahin Petrol February 1993 – September 1994
